

**Los Angeles Maritime Museum Research Library Guides for Books and Journals**  
**Deep Diving and Underwater Archaeology**

Page 1 of 2

Histories of diving focus on deep diving, ocean engineering, underwater exploration and offshore oil well drilling. Our collection contains a variety of resources such as books by well-known authors Torrance Parker, and Jacques Cousteau, with translations from French authors, symposium proceedings, and technical manuals. Please call the Library for more information at 310-548-7618 x 215.

**Deep Diving--History:**

**20,000 jobs under the sea: a history of diving and underwater engineering.** / by Torrance R. Parker; edited by Don Walsh; foreword by William B. Lee, c1997.

**Along the shores of time: submerged historic and indigenous resources in the Pacific Rim region.** / by Roger E. Kelly, 1999.

**Archaeology under water.** / by George F. Bass, 1966.

**Diving manual 1924 Reprint of Chapter 36 of the Manual of the Bureau of Construction and Repair.** / U.S. Department of the Navy, 1925.

**A history of seafaring; based on underwater archaeology.** / Edited by George F. Bass, 1972.

**The history of oilfield diving an industrial adventure.** / Christopher Swann, 2007.  
Focus is on the history of offshore oil well drilling.

**The history of underwater exploration.** / by Robert F. Marx, 1990.

**Man and the underwater world [by] Pierre de Latil & Jean Rivoire.** Translated from the French by Edward Fitzgerald, 1956.

**On the bottom.** / by Commander Edward Ellsberg, 1929. (submarines)

**A pictorial history of oceanographic submersibles.** / by James B. Sweeney, 1970.

**Deep diving--United States and other countries.**

**A biomedical assessment of a one-atmosphere diving system: JIM-4.** / by Arthur Bachrach.

**Captain Cousteau's underwater treasury.** Edited by Jacques-Yves Cousteau and James Dugan, 1959.

**I dive for treasure.** / by Harry E. Rieseberg, 1942.

**Islands of angry ghosts.** / by Hugh Edwards, 1966. This is the story of the shipwreck and archaeology of the Dutch East India ship BATAVIA in 1629.

**Just lucky.** / Kenneth K. Knott, 2009. Autobiography of a deep diver.

**Man under the sea.** / By James Dugan, 1956. A history of deep diving from ancient times to the 1950s.

**Los Angeles Maritime Museum Research Library Guides for Books and Journals**  
**Deep Diving and Underwater Archaeology**

Page 2 of 2

**Underwater man.** / Joe MacInnes [i.e. MacInnis]; foreword by Pierre Elliott Trudeau. 1975, c1974.

**Periodicals and journals:**

**Historical diving.** / Historical Diving Society U.S.A., 2004, 2000

**Workshops and Proceedings**

**Emergency medical Technician.** / Diver Workshop held on 8-9 December, 1975.

**Medical aspects of small submersible operations. The Seventh Undersea Medical Society Workshop. Submarine Development Group One, 19-20 November 1974.** / Undersea Medical Society, 1974.

**Proceedings: Fifth Annual International Diving Symposium. Morgan City, Louisiana January 21-22, 1975.**

**Proceedings. 1973 Divers' Gas Purity Symposium. November 27 & 28, 1973.** Held at Battelle-Columbus, Sponsored by U.S. Navy Supervisor of Diving. Naval Ship Systems Command, 1976.

**Proceedings. International Diving Symposium '76 Louisiana Superdome January 22-23, 1976.** Sponsored by the Association of Diving Contractors; Undersea Medical Society; American Society of Mechanical Engineers Ocean Engineering Division. 1976.

**Proceedings. Twelfth International Diving Symposium Sponsored by the Association of Diving Contractors. February 1-3, 1982. Hyatt Regency Hotel New Orleans, Louisiana, 1982.**

**Technical Manuals**

These handbooks and manuals cover underwater exploration, marine biology, and underwater photography.

**The complete underwater diving manual.** / Compiled and edited by the National Oceanic and Atmospheric Administration and the U.S. Office of Marine Resources [no date].

**The physics and engineering of diving. Including diving physics, decompression theory and practice, buoyancy and propulsion, life support systems and equipment.** / By R.S. Dickens, 1975.

**The silent world.** / by J. Y. Cousteau, with Frederic Dumas, 1953.

**Three adventures: Galápagos, Titicaca, the Blue Holes.** / [by] Jacques-Yves Cousteau and Philippe Diolé. Translated from the French by J. F. Bernard, 1973. Marine biology--Galapagos Islands. Marine biology--Belize. Limnology--Titicaca Lake (Peru and Bolivia)

**U. S. Navy diving manual.** / United States. Navy. 1963-
